

# Ketosene® Orange

A unique product that combines power vegan ingredients boosting long-term eye & brain health

## Taking care of your brain, long term

Ketosene® Orange is developed to support long-term brain and eye health. It is a product with a delicious citrus-taste that can serve as an addition to a Keto or High-Fat/Low-Carb diet, or on its own.

Ketosene® Orange is a unique formula with effective ingredients to support brain health in three basic ways.

- 1) MCTs for superior energy delivery to the brain
- 2) DHA to enhance synaptic activities
- 3) Lutein for improved retinal and visual function

Our all natural vegan synergistic formulation contains Algae based DHA, PalmFree MCT oil and Marigold based lutein & Zeaxanthin.

**Ketosene® Orange is the perfect product for anyone who wants optimal Mental Energy, Vision and Cognition.**

Original scientific papers are available freely upon request  
Currently several EU health claims are allowed on DHA and brain health

Ketosene® Orange is available in a Natural Orange flavor. All ingredients used are vegan and fit in a ketogenic lifestyle.

Guaranteed safety, quality and consistency by your trusted supplier Ketogenic Ingredients. Find out more at [Ketogenicingredients.com](https://ketogenicingredients.com) or email us at [info@ketogenicingredients.com](mailto:info@ketogenicingredients.com)  
Ketosene® is a trademark of Lus Health Ingredients, The Netherlands

**MENTAL ENERGY  
VISION  
COGNITION**

**BRAIN  
ENERGY**

The liver effectively creates ketones from MCT oil. These ketones (other than glucose) pass the blood-brain barrier & supply energy directly to the brain. Recent studies indicate that an energy shortage in the brain may be signs of early-onset Alzheimer's.

**HEALTHY  
NERVE CELLS**

DHA is to the brain what calcium is to bones. Without DHA, signal transductions between nerve cells become impaired. A brain rich in DHA is a healthy brain.

**EYE  
HEALTH**

Lutein is a powerful antioxidant from the carotenoid family. Studies show it can help protect the retina & may be involved in preventing Age-related macular degeneration (AMD).

**Ketogenic  
INGREDIENTS**

*We make Keto fun, easy and delicious! Convenience is high on our priority list.*
